

Karen's Detailed Custom Frames and Ritenours Photography
bring you

From Snapshots to Art

A hands-on photography class for those who want to improve their photographic skills. Taught by award winning photographic artist Frank Ritenour, this is an nine week class with two field trips.

We take you through;

Composition, image design, your camera controls (exposure, ISO, sensitivity image quality, image size, white balance, focus, flash, and manual operatio), lighting, image processing with Photoshop Elements 10/CS5, workflow, color/black & white/tri-tone images, portraits (studio and beach), image enhancement, color management, printing, matting, framing, and displaying your images.

Weekly class assignments let you apply what was taught in class. Image critiques help you analyze you pictures. Field trips provide the one-on-one instruction to ensure you understand the material.

Sign-up today. Classes start April 5. The number of students are limited. To sign-up call Frank Ritenour at 949-369-7871 or e-mail Frank.Ritenour@cox.net. The nine week class & field trips cost \$398. Also, ask us about our advanced workshops.
